

Welcome to the Winneconne Community School District! We are excited to work with you and your children. Please help us plan ahead for busing to and from school by answering a few questions based on your current plans for next year. Please return by June 20th; after that changes may not be possible.

- The 4K sessions are not determined until later this summer and sessions are determined by transportation location before and after school. You may not request a particular session. Daycares are not guaranteed morning or afternoon 4K sessions.
- A maximum of 2 addresses may be used **if available**. Due to 4K busing not going to entire district for each session, sometimes 2 addresses are not available.
- If you are requesting busing and your home address is both within the village and East of the river, a transportation fee will be charged. The current fee is \$100 per student, with a maximum of \$200 per family. This fee is subject to change for the upcoming school year.
